

EXHIBITS COME ALIVE.

Individual Stand Design.

ALEX.
Messe & Ladenbau GmbH

Create ideas.
Develop new designs.
Realize innovative concepts.

Concept.

We create unique experiences and environments that inspire our clients. The events industry is our home market for more than 35 years.

Our passion is the realization of high end exhibition projects. Experience, the love for details and budget-oriented Services determine the action.

We attend our clients as full service partners from the beginning until the completion of each project.

No matter if custom built or fully equipped system booths, our 28 employees will take care of you and your project.

Realization.

- Project Planning, Supervising, Coordination
- Consulting regarding organizational and technical demands
- Construction management
- Construction documentation
- Internal carpentry and shop
- Maintenance of customer property
- Exhibit logistics and transportation
- More than 4000 square meters storage space

Success.
